Hot Water Pressure Washers

HDD Series

HDB Series

Hot Water Pressure Washers - HDD Series

Stationary - Portable Skid Mount - Gasoline/Diesel - Belt Drive

This new series gives you all the power of a larger skid, in a compact design that fits easily through a 30-inch doorway.

Compact design, fits through a 30-inch doorway

12 Volt Burner with fuel/water separator

Convenient hose hanger and wand holder

Hose and wand holder

Stainless-steel coil wrap heat exchanger with horizontal schedule 80 pipe coil

12 Volt Beckett burner with fuel/water separator

Fold down handle for maneuverability

10-gallon polyethylene diesel fuel tank

Removable front panel

Additional Features

Pump

- AR pump
- Forged brass manifold
- Thermal relief valve

Engine

- Performance proven gasoline engine

Frame

- Heavy-duty powder coated steel square tube frame

Unit Includes

- 50-foot x 3/8-inch high pressure hose with quick connects
- Quick connect nozzles (0°, 15°, 25° and 40°)

Miscellaneous

- Adjustable thermostat

HDD-3504-OH6A shown with optional wheel kit AW-5740-0014

Hot Water Pressure Washers - HDB Series

The new HDB Series come in a compact yet durable design with a convenient hose wrap not found on many other skid design washers. This model is available with a gasoline or diesel engine.

Stationary - Portable Skid Mount - Gasoline/Diesel - Belt Drive

HDB-3005-0K6G

Optional 3-way ball valve

Stainless steel control panel shown with optional steam, high pressure chemical and thermostat

Schedule 80 pipe coil

Additional Features

Pump

- General pump
- Forged brass manifold
- Thermal relief valve

Engine

- Performance proven gasoline engine or Yanmar diesel engine

Frame

- Heavy-duty powder coated steel square tube frame

Unit Includes

- 50-foot x $\frac{3}{8}$ -inch high pressure hose with quick connects
- Quick connect nozzles (0°, 15°, 25° and 40°)

Miscellaneous

- Adjustable thermostat

OPTIONS

Part Number	Description	Fits Models
HX-0156	Hour meter - Displays number of hours unit has been in operation	All models
HX-0172	250°F steam - Increases outlet temperature to 250°F, #3 nozzle	HDD Series models
HX-0220	High pressure chemical (K7) - Adjustable high pressure chemical, includes float tank	HDB-3005 models
HX-0221	High pressure chemical (trapping unloader) - Adjustable high pressure chemical, includes float tank	HDD Series models
HX-0222	Panel engine key switch - Moves engine key switch from engine to front panel	Vanguard models
HX-0224	Steam - Increases outlet temperature to 250°F, includes steam nozzle and valve	HDB-3005 models
HX-0225	Trapping unloader - For longer hose runs and cleaning elevated areas	HDB-3005 models
HX-0226	Three-way ball valve - Allows pressure washer to be operated from garden hose/float tank or trailer supply tank by adjusting ball lever valve	All models

ACCESSORIES

Part Number	Description	Fits Models
AW-5740-0014	Wheel kit - Allows unit to become portable	All models
50-0170	Stack adapter - Allows 8-inch flue pipe to be installed to boiler exhaust port	All models
850-0324	Gasket (for 50-0170) - Seals between 50-0170 stack adapter and boiler housing	All models
